"STALIN'S CHOICE FOR PRESIDENT"

AUTHORITY ON WORLD AFFAIRS REVEALS ADLAI'S CLOSE ASSOCIATION WITH REDS

By Emanuel M. Josephson

"ADA'S STEVENSON, STALIN'S CHOICE FOR PRESIDENT" was the cheer that greeted Adlai Stevenson at the Red "Liberal" Party Convention at the Statler Hotel, New York, on the evening of August 28, 1952. Mention of it was deleted by press censors.

REPUDIATES LEGION

At Madison Square Garden, one day earlier, Stevenson had upbraided the American Legion for its "McCarthyism" in demanding the ousting of Dean Acheson and other Communists and traitors from the government. Stevenson spurned the request, and told the patriotic Legionnaires that they were a rabble and a pressure group whom he planned to disregard. Stevenson posed as a Legionnaire, wearing the Legion cap, although, like many of his Red pals, of service age, he had escaped active service and therefore would not qualify as a member of the Legion.

and others of the same breed, when he accepted their nomination, to see how much defiance he would offer that pressure group.

ATTENDS LIBERAL PARTY MEETING

Stevenson arrived at the "Liberal" Party meeting almost half an hour before his scheduled speech of acceptance; and he later intimated that his early arrival was accounted for by his eagerness to be with them, the kind of people whom he likes as associates. His courtliness to the Reds contrasted strikingly with his brusque reprimand of the Legionnaires. Stevenson

thus paid courtly tribute to his pals—to Alger Hiss and to Lee Pressman and other "patriots" of that breed—in the audience.

His attitude might portend his intention to release Alger Hiss, when elected, and openly make him his Secretary of State in fact. One of the delegates to the convention told the author that it was a great pity that Alger Hiss had not acknowledged the fact that he was a Communist spy, as had so many of the delegates present. Then Hiss also would have been free to attend the "Liberal" Party convention, as were his "distinguished" associates, instead of being confined in Lewisburg Penitentiary, there to serve the cause with propaganda.

Adlai was in fine fettle, among his pals in the "Liberal" Party. He regaled his audience with the full line of wisecracks on capitalists, the GOP, etc., that are so familiar to the readers of the *Daily Worker* and the *New Masses*. The speech that he read was done in the style of Stevenson's top campaign adviser and ghostwriter, Arthur Schlesinger Jr., Rockefeller-sponsored and subsidized Harvard professor.

DUBINSKY LAUDS STEVENSON

A SHREWD TEST OF THE ATTITUDE OF BOTH AUDIENCE AND OF CANDIDATE STEVENSON WAS OFFERED BY THE CHEER QUOTED ABOVE, WHICH GREETED THE NOMINEE, AS DAVID DUBINSKY ROSE TO INTRODUCE HIM:

"HURRAY FOR ADA'S STEVENSON, STALIN'S CHOICE FOR PRESIDENT!"

THE CHEERER, WHO STOOD IN THE PRESS SECTION, WAS NEITHER REBUKED NOR OUSTED. STEVENSON FLUSHED AND SMILED. DUBINSKY NODDED. SEVERAL PERSONS NEAR THE CHEERERS REMONSTRATED: "TRUE BUT INDISCREET." THERE WAS THE DEAD SILENCE THAT BESPEAKS ASSENT.

THE AUDIENCE DID NOT HAVE LONG TO WAIT FOR ADA'S STEVENSON'S REACTION.

ADLAI STEVENSON OFFERED NO DENIAL OR OBJECTION TO BEING CALLED "STALIN'S CHOICE FOR PRESIDENT."

Adlai Stevenson has a long and notable

IT SHOULD BE BORNE IN MIND, IN EVALUATING STEVENSON'S ATTITUDE, THAT "MCARTHYSM" IS THE CRY AGAINST PATRIOTS BY COMMUNISTS AND THEIR TRAITOROUS AGENTS, WHO FEAR EXPOSURE. THOSE WHO RAISE THE CRY OF "MCARTHYSM" EXPOSE THEMSELVES AS REDS.

PAL OF LEE PRESSMAN

It interested the author to determine what would be the attitude of Stevenson to such "patriots" as his "Liberal" sponsors, such as Communist Lee Pressman and his CIO pals, Moscow-commuting George S. Counts,

greeted the Reds "as a kind of political conscience of New York State"! He stated that he is fully in accord with the Reds of the "Liberal" Party. He said:

"I have been much interested in the continued debate raging in the newspapers as to whether I am headed LEFT, center or right. I think it would be more relevant to ask: Is the man moving FORWARD, or backward, or is he grounded?"

In substance, Stevenson stated his conviction that the "leftists", or Reds, alone are progressives after his own heart. He

FELIX FRANKFURTER, JAKE ARVEY, DAVID NILES

By ROBERT H. WILLIAMS, FORMER COUNTER INTELLIGENCE OFFICER AND

R. H. Williams

revealed that Niles was working in Stevenson's campaign.

"David Niles has been released from Beth Israel Hospital after major surgery—and the news on his ailment is much happier than he expected. He'll play a leading brain-truster role in the Stevenson campaign . . ."

Readers of the Intelligence Summary need no reminder of the character and role of David Niles. For new readers, it may be said briefly that he is one of the shrewdest and most dangerous agents in the Jewish nationalist, or Zionist, movement. Franklin Roosevelt picked him up as administrative assistant in the early 1930's on recommendation of Felix Frankfurter, (soon after Niles had been arrested in connection with a Communist-inspired labor riot in Boston). For years he jaunted almost every weekend from the White House to New York and Boston, where it was generally believed he got his instructions from the international banker cult.

Niles (born Neyhus) represented the Frankfurter element (the pro-Communist proletariat influence), the international banker element, and the Zionist organizations—in short, the three-headed invisible government responsible for the Marxist revolution in America.

For many years he was a principal link between the major strategists of world Marxism and the President of the United States.

"MYSTERY MAN"

An article in the Saturday Evening Post December 24, 1949, entitled "Mr. Truman's Mystery Man," stated that he was the spokesman for organized labor and the racial minorities. The same article said that if Niles cared to, he could claim authorship of the "civil rights" measures (measures invented by the Communist Party).

The article told how Niles and Felix Frankfurter had been friends for a third of a century and how Frankfurter had planted him in the White House.

When certain committees in May, 1951 were secretly considering calling Niles to testify as to corruption and Communist favoritism, Niles suddenly resigned and left for Israel.

Niles may be too big or cunning to belong to the Communist Party, but in any case he is a known and admitted Zionist and Zionism carries on the same Marxist revolution in America, with a hundred times more power than the Communist Party.

WHO'S WHO IN AMERICAN JEWRY

Niles is only one of scores of "Old Bolsheviks" from the Roosevelt-Wallace-Truman heyday who have moved into Stevenson's campaign and taken over. Let's look at the faces of those who occupy all the important positions around Stevenson:

First, Jake Arvey, gangster boss in Chicago's underworld. Arvey is listed in Who's Who in American Jewry (1939) as "hon chmn Asso. 'd Talmud Toras" and a

director of the American Jewish Congress.

The AJC is the official Zionist working body of the Zionist Organization of America. Next to the Anti-Defamation League of B'nai B'rith, it is the mightiest secret black-hand gestapo of GPU ever organized outside the iron curtain. I make this conservative estimate after years of study of the secret revolution whose forces came from the old ghettos in Europe, where they imposed Communism on the Russians, into this tolerant, naive Republic and organized to destroy us in like manner.

It was Arvey, Democratic committeeman and chairman of the Cook County Democratic committee, who decided that Stevenson should have the Democratic nomination for Governor of Illinois in 1948. Time, Jan. 28, 1952 (p. 17) told the story.

John Anson Ford, Los Angeles County Commissioner, a Kefauver New Dealer, was quoted in the Los Angeles papers as expressing the bitter sentiment that "Jake Arvey will be the Number One man in the White House."

JAKE ARVEY

Richard Nixon in his Ohio speech August 12 said Stevenson owed his nomination to Truman, Arvey and Jack Kroll. Kroll, as you doubtless know, is the political brains of the CIO-PAC, successor and long time understudy of the late pro-Communist revolutionary Sidney Hillman. Kroll was born in the ghetto in Eastern Europe, inoculated with Marxist hatred of the Christian West.

The CIO itself, under Kroll and Phil Murray, officially endorsed Stevenson August 14. While the CIO now claims it is anti-Communist (having thrown out a handful of its many Reds), it is at best no more than anti-Stalin. It still follows the Communist line, except for nose-thumbing Moscow.

And this reminds us that we should more often use the inclusive term Marxist, because after all it may not matter which splinter of the world revolution a given thug belongs to. The decent people of this country will be no less securely locked in the doghouse if the CIO and the Americans for Democratic Action succeed in setting up a Marxist dictatorship, than if Stalin conquered America.

A still more comprehensive term for the bosses behind all these sucker groups is Jewish nationalism, or Zionism. The revolution coming toward us as fast as Stevenson can campaign, is a Zionist revolution, inspired and principally steered by Jewish nationalists for their own interests—just as were all the "Communist" revolutions in Europe and Asia.

BEN COHEN, TOO

An INS correspondent in Washington wrote August 14 that the reason the CIO went for the Stevenson-Sparkman ticket with such relish was the conviction that "it would carry on the policies of President Truman and the late President Roosevelt"—and who could disagree with that conviction?

A story in the Los Angeles Examiner August 16 revealed that the general counsel for the CIO, Arthur Goldberg, is an old friend of Stevenson and is helping Stevenson work out his campaign itinerary. Goldberg himself said so. And Mr. Goldberg is just about as far to the left as you can get.

Benjamin Cohen, known as "one of the principal architects of the New Deal", reportedly helped Stevenson write his acceptance speech at the Democratic convention.

Wilson Wyatt, Stevenson's personal campaign manager, is a past president of the Americans for Democratic Action, which, like Goldberg, shadow-boxes the Moscow apparatus but has become the most effective "Communist" or Marxist organization inside the Democratic Party.

Representative Reed of New York charged August 18 that he was "shocked to read an article claiming that a firm headed by Wilson Wyatt is serving as regional counsel for the Reconstruction Finance Corporation and as resident counsel for the Reynolds Metal Company which reportedly owes the RFC \$23,000,000."

Mr. Stevenson, who is going to clean up corruption, makes RFC attorney and RFC customer Wyatt his campaign manager!

U. S. News & World Report Aug. 15 (p. 22) quoted Stevenson as saying of Wyatt: "He is an old personal friend, an excellent lawyer, a man of great confidence and ability, integrity and judgment, and I was delighted he was available to help me with my campaign."

If this is the measure of Stevenson's judgment of men, then God help America if Stevenson becomes President.

STEVENSON PICKED SCHLESINGER

The Democratic candidate says he personally picked his Assistant Campaign Manager, Arthur M. Schlesinger.

The above cited magazine quoted Stevenson in telling how this Harvard brain came to Stevenson's campaign staff: "I asked him. He came down to see me . . . He is an old friend of mine. I asked him if he could give me some time between now and the time college opened and he has volunteered to do that."

Schlesinger was one of the leaders of the Communist youth front so cherished by Mrs. Roosevelt—the American Student Union. One of his buddies in that front was the Negro Communist, Langston Hughes (author of "Goodbye Christ" etc.). Another was Comrade James Waterman Wise, son of the late Red Rabbi Stephen S. Wise.

The California Un-American Activities Committee Report for 1949 lists

Schlesinger (p. 449) as a member of the Communist Civil Rights Congress (organized April 27, 1946). That report notes that "The Communist Party set up the Civil Rights Congress . . ."

Walter Reuther, CIO-UAW gangster boss who got his training right in Moscow, and who is one of the wheels in the Americans for Democratic Action, has been assigned a very special place in the Stevenson "crusade."

But don't go away. The old left wing stooge, Stephen Mitchell, successor to Truman's Frank McKinney as chairman of the Democratic National Committee, was proposed for the job "by representative Emmanuel Celler . . . and on the suggestion of Supreme Court Justice William O. Douglas" (as reported by the Washington Daily News, Aug. 9).

Celler is one of the most faithful of the B'nai B'rith Jewish nationalists in the House; Justice Douglas is, if possible, even further to the left.

In view of the Marxists running his campaign, it seems obvious that Stevenson, himself a Marxist, is only serving campaign hogwash when he hits the centralization of power in the federal government. Even if he meant it, he could not shape policies to the contrary, while picking Marxists to execute and help shape his policies.

On August 17 the Americans for Democratic Action met and enthusiastically endorsed Stevenson, calling his platform "liberal" and "forward looking."

The ADA is the most powerful "Communist" or Marxist front in politics at this time, other than certain exclusively Jewish organizations. If it is not also an outright front for the Anti-Defamation League of B'nai B'rith, it at least is an obliging affiliate. The ADL and related Zionists are more successful than the Communists in guarding the identity of their official agents and fronts, but we see that the ADL's agent was on hand and working with the ADA during the Democratic convention. NY Supreme Court Justice Meier Steinbrink, national high dragon of this Jewish black hand society, in a letter dated July 22 published three days later in the New York Times, said the Anti-Defamation League, through one of its vice presidents, Phillip M. Klutznick, worked with James B. Carey of the CIO, Walter White of the National Association for the Advancement of Colored People and Stanley Gewirtz of the Americans for Democratic Action in demanding a strong civil rights plank. (Gewirtz himself may be a member of the ADL for all we can know.)

As previously noted, candidate Stevenson has endorsed this Marxist civil rights plank, and with high praise.

As for Americans for Democratic Action, it gave its ardent support to Stanley M. Isaacs for the New York City Council in 1948 in spite of or because of Isaac's record of membership in some 69 Communist fronts, 17 of which are on the Attorney General's list of subversive organizations.

ADA HATES ANTI-COMMUNISTS

The ADA was a principal influence in electing young Franklin D. Roosevelt, Jr., to Congress (on David Dubinsky's Socialist Liberal ticket—and Dubinsky is himself a founder of the ADA).

Sen. Hubert Humphrey of Minnesota, one of the wheel horses of the ADA, stated April 3, 1950 that the ADA was "in full partnership" with the Democratic Party. If Stevenson is elected the ADA will virtually

be the administrative department of the government.

ADA tried to block the McCarran-Walter immigration bill (shutting off mass minority immigration).

ADA has fought every item of legislation designed to help curb Communists, including the McCarran-Mundt-Ferguson bill.

If there is anybody ADA hates more than anti-Communist Senator McCarran it is anti-Communist Senator McCarthy.

ADA has consistently fought for the repeal of the Smith Act, a law itself flimsy enough, but the only one under which we have convicted a Communist for conspiring to overthrow the government. ADA could hardly make more clear its attitude toward the Communist conspiracy to overthrow the government. In view of this record, all its shadow-boxing Moscow could hardly fool anybody with a half a wit.

Pegler Nov. 28, 1951, quoted from a book by an English Socialist named David C. Williams, entitled *Intelligent Socialist's Guide to America*: "ADA is not a political party. It operates very much as the early Fabian Society did, seeking to permeate the existing parties with new ideas and personalities."

It was the Fabian Society, you may remember, which imposed full-scale Socialism on the British.

The founders of the ADA were William E. Bohn, one of the Socialist leaders of this country for many years and editor of the Socialist New Leader (which obliges the Communists and the ADL by maligning anti-Communists including this writer). Bohn admitted in his paper April 5, 1947, "I spent the weekend in Washington helping to set up the Americans for Democratic Action." With him and Dubinsky were also Hugo Ernst, Hubert Humphrey, Walter Reuther, Ethel P. Epstein, F. D. Roosevelt, Jr., Mrs. Eleanor Roosevelt . . . Why go on?

Red record. He was trained at Harvard Law School, where ruled Felix Frankfurter, the Rockefeller-subsidized breeder of Reds for government service. Several of his pupils have been "honored" with jail sentences for subversive activities, perjury in connection with treason, and other similar "distinguished services." But most of them are high in the government service, and have not yet been so "honored." Instead, they constitute the backbone of our Government in Washington, which Stevenson now fitfully proposes to head.

ROCKEFELLER MOSCOW MISSION

Adlai Stevenson made a "mission" to Rockefeller-courted Moscow in 1926, the year when the Rockefeller interests consummated their deal with Stalin by which the world is now ruled. In Moscow, Stevenson became so intimate a bedfellow of the Bolshevik gangsters that he now boasts that he greets them by their first names. This was a qualification that stood him in good stead when he was recommended at a later date, by the Alger Hiss crew, for the post of Adviser to the U. S. Delegation to the UN San Francisco Conference, with the special assignment of courting the Communist delegation.

Adlai Stevenson joined Communist Lee Pressman (who recommended him for his job) and the Hal Ware "cell" traitors in Henry Wallace's AAA, in 1933.

ASSOCIATED WITH HISS

Adlai Stevenson was steadily associated with Alger Hiss between 1933 and 1949: In the Agricultural Adjustment Administration. In Rockefeller's Council on Foreign Relations, which is their top agency that guides the rest of their subversive fronts, but has not yet been exposed by a fearful Congress. In the Institute of Pacific Relations, the Rockefeller-Soviet Axis espionage and propaganda agency that was set up for the purpose of turning over Asia to the Soviets, and which, with its Rockefeller-funds supported the Communist, Richard Sorge spy ring in Japan, that induced the Japs to attack the U. S. at Pearl Harbor instead of attacking Soviet Russia as they originally planned. In the War Department, at which time he was recommended by Communists Alger Hiss and Coe as a delegate to the Mont Tremblant Conference of the Institute of Pacific Relations. In the State Department, to which he was recommended by Hiss and associated Reds, where he "helped Hiss set up the United Nations, accompanying him to San Francisco for the organizing sessions and later collaborating with him in London and New York (E. F. Tompkins, N. Y. Journal American 9-5-52). (He was assigned to fraternize with his pals among the Soviet gangsters). In the Woodrow Wilson Foundation, where in 1949, he was fellow trustee with Alger Hiss, Henry A. Wallace and other "patriots" of the same breed.

Adlai Stevenson is a leader of Rockefeller's International House at the University of Chicago, that expands the theme song of the Communists, "Internationale."

Vanderbilt Field, Owen Lattimore and the rest of the Amerasia gang, that turned over to Communist agents 1,700 top secret documents that made possible the breaking of our code and cost the lives of thousands of our men. Stevenson took over from Lattimore (who is now under fire of Congress as a Red agent) the task of defending, justifying and steering the Asiatic policy of the State Department in the channels required by the Rockefeller-Soviet Axis agreements. In this connection Stevenson wrote for the April 1952 issue of the Council's publication, *Foreign Affairs*, a defense of their treacheries and their sell-out in Korea. Directly after the appearance of this article, their agency named ironically *Americans for Democratic Action (ADA)* ordered the "drafting" of Stevenson for Presidential nomination. This organization is a thin camouflage for the Red rats who deserted the Communist ship, when it became unpopular after the outbreak of the Korean War. It was organized by Wilson Wyatt, who has been chosen by Stevenson as his campaign manager. Active in effecting this Stevenson "draft" for their Rockefeller-Soviet masters were Moscow-trained Walter Reuther, Phil Murray, and other saboteurs of America's defenses.

DARLING OF RED PRESS

ADA Stevenson has been, during this period of Red buildup, the darling of the Red press and the protege of its financiers. Though the "draft" had been arranged months previously, it was their plan to keep it secret until the Convention so as to dupe us, American "peasants," and not deprive us of the diversion that would be afforded dupes among us by the pretense of a fight on the convention floor in Chicago, that could be televised. During the Convention, when Stevenson was pretending to coyly "resist" the "draft", and remained "incommunicado", he was closeted with some of the top bracket conspirators of the ADA, including his intimates Marshall Field, of the Red *Chicago Sun*, Dorothy Schiff, of the New York Post, and David Dubinsky.

STEVENSON, MAFIA & JAKE ARVEY

Ada Stevenson has been wholly loyal to his Red pals (tovariches) and their Party Line. Marshall Field's Red *Chicago Sun*'s managing editor, James W. Mulroy, and city editor, William I. Flanagan, with one of the more violently Red of the Illinois CIO leaders, became Governor Stevenson's "brain-trust", following his election with Marshall Field's sponsorship and support. As might be expected from his record, Stevenson vetoed the Broyly Bill for control of Communists. Corruption is more rampant than ever under Stevenson's "Labor government" of Illinois, as is evidenced by the widespread sale of horse meat as beef, wide-open gambling, explosions in unsafe mines permitted to operate, and the open tie-in of Mafia gangsterism, labor and top echelons of government under the leadership of Jake Arvey. But the self-same Red agents and press that attacked the previous regime of Gov. Green, now loudly sing the praise of Stevenson's even more corrupt "Labor government". This Red "brain trust", since Stevenson's nomination, has been joined by Dorothy Schiff's even Redder columnist, Professor Arthur Schlesinger Jr., chief adviser and ghost-writer in Stevenson's Presidential campaign, and her editor, J. Wechsler, a former official of The Young Communist League and comrade of convicted top Communist conspirators. It is reported that "if Stevenson wins, Wechsler will become one of his inner circle brain-trusters or . . . Secretary of Defense! Or even chief of a Free Press." Beardsley Ruml, Rockefeller's high priest of the "social(ist) sciences" and writer of confiscatory, socialist tax bills with oily loopholes, is slated to be Stevenson's top fund raiser. Both Schlesinger and

ROOSEVELT DELANO DYNASTY

Adlai Stevenson is related by marriage and blood to the Roosevelt-Delano Dynasty that has given this country nineteen of its thirty-four Presidents, and has ruled and looted US from the beginning. (Twelve of them are shown in the family tree of the Dynasty hung at the Hyde Park "shrine" by Eleanor Roosevelt, which is reproduced in the author's *STRANGE DEATH OF FRANKLIN DELANO ROOSEVELT*.) The Roosevelt Delano Dynasty's control of the nominating machinery of both major parties, that was gained at their inception, has robbed us of our supposed franchise and freedom, and has enabled them to perpetuate their rule. It has enabled them to create in the minds of what they call "American peasants," the figment of "divine right to rule" US. It has made the hereditary transmission of the office of President in their clan an accomplished fact. Thus in the Grover Cleveland regime, both President Cleveland and Vice President Adlai Stevenson (the candidate's grandfather) were of the clan. Repeatedly in the course of our history the candidates of both parties have been members of the clan. In the current campaign, four of the candidates—Stevenson, Taft, Russell and Barkley—are related to Franklin Delano Roosevelt. Stevenson's election will serve to confirm the faith of many of us "peasants" in the hereditary transmission of the "divine right" of the Roosevelt-Delano Dynasty to rule US.

At this point it might be noted that Adlai Stevenson's wife, patriotic American, Ellen Borden Stevenson, is reported to have divorced her husband because of his unsavory political associations. But the Dynasty is willing to defy the aversion of Catholic and Episcopalian voters (High Church) to divorce, in order to break down the resistance to divorce for the benefit of the multiply-divorced Roosevelt progeny,

to prepare their way for hereditary succession to the Presidency.

ADLAI STEVENSON IS A GLIB, WISE-CRACKING, BIBLE - THUMPING RED WHO IS WELL CAST FOR THE ROLE OF AMERICA'S GOTTFELD. He is not only "Stalin's Choice" and agent of the Rockefeller-Soviet Axis, but also one of the hereditary rulers of the Roosevelt-Delano Dynasty. His election will place the motley crew in direct and open rule of our land—a conquest by infiltration and duping of us "peasants".

Soviet ambassador Zorin specializes in taking over republics by elections. He engineered the Gottwald take-over in Czechoslovakia. Is he here to supervise the take-over by our "own Gottwald".
